Redtree Brushes and Rollers Make Marine Paints Perform!™

Look inside **NEW PRODUCTS**

Redtree Industries

The industry leader in marine paint applicators

REDTREE MAKES MARINE PAINTS PERFORM

CERTIFIED ISO 9001:2008

Brushes and Rollers Specially Designed for Marine Paints

Redtree manufactures a complete line of the finest tools compatible with all types of marine coatings from topside finishes to antifouling paints. Ongoing research and development combined with our relationships with marine paint manufacturers around the world enable us to deliver superior applicators and performance for every new generation of marine coatings.

Handcrafted Excellence

Redtree formulates and handcrafts its tools for maximum painting performance. This assures fine finish results with all top coats including enamels, varnishes and urethanes as well as bottom paints.

Job-Specific Packaging and Merchandising

Redtree takes the guesswork out of selecting the right tool for the right project at hand. We conveniently package brushes and rollers with job-specific information, so making the correct choice every time is easy.

Worldwide Distribution

Redtree is proud of being the leader in marine-specific applicators that are distributed and used around the world. Professional marine painters and boat builders have long relied on our quality, performance and durability. Same-day shipments make the globe smaller and Redtree closer to our customers.

64020	9″	1-1/4″	12

U-JOINT SWIVEL DESIGN
Uses: Deck, baseboard and wall scrubber that swivels in any direction
Handle: Use with ACME threaded handle #36005, #36015 or #36045
Bristle Type: Polypropylene

WINDOW AND VEHICLE WASH BRUSHES

Part #	Width	Trim	Pack Qty
63360	10″	2-1/2″	12

Uses: Soft styrene bristles great for washing windows
Handle: Hand use or use with handle #36020, #36021, #36043, #36045, or #36046
Bristle Type: Styrene

63370	10″	2-1/2″	12
63380	10″	2-1/2″	12

Uses: Polypropylene brush retains water for cleaning boats, vehicles, smooth surfaces
Handle: Hand use or use with handle #36020, #36021, #36043, #36045, or #36046
Bristle Type: Polyester (green)

Uses: Polypropylene brush and rubber bumper to protect delicate boat surfaces
Handle: Hand use or use with handle #36020, #36021, #36043, #36045, or #36046
Bristle Type: Polyester (blue)

TANK OR BILGE WASH BRUSHES

Part #	Width	Pack Qty
63975	8-1/4″	6
63910	9″	6

Uses: Polyester bristles set into solid polypropylene blocks will not absorb moisture or odors
Handle: Use with handle #36020, #36021, #36043, #36045, or 36046
Bristle Type: Polyester

Upright Brooms/Dusts Pans

Our sturdy Polypropylene “corn” bristle brooms are long wearing, washable, impervious to chemicals, and will not break or shed. The bristles are heat sealed and riveted into a metal cap. The steel band helps to retain a better shape.

SPEEDY CORN® POLY BROOMS

Part #	Width	Description	Pack Qty
62705	7-1/4”	Straight Trim	12
62731	7-3/4”-9”	Angle Trim	12

STRAIGHT TRIM / ANGLE TRIM
Features: Impervious to chemicals, won’t break or shed
Uses: All purpose for marinas, factories, garages
Bristle Type: Polypropylene

COMPACT UPRIGHT BROOM

Part #	Width	Pack Qty
62316	3-1/4”	12

Features: Light to medium duty flagged tip fiber stapled in plastic back. Perfect for boat use
Handle: 48” ACME threaded handle #36004 or #36014
Bristle Type: Flagged Styrene

18” PLASTIC DUST PAN

Part #	Width	Pack Qty
62812	18”	4

Features: Extra deep pan and long lasting
Pan Material: Plastic

12” PLASTIC DUST PAN

62813	12”	12

Features: Economical and long lasting
Pan Material: Plastic

Floor Squeegees

MOSS RUBBER FLEX SQUEEGY® IN STEEL HOUSING

GARAGE, SMOOTH SURFACES
Uses: Ideal for smooth and textured floor surfaces
Handle: 18" and 24" use 36055, 36075 or 36085
30" and 36" use 36075
Material: Soft, pliable, non-marking Moss Rubber

Part #	Size	Pack Qty
63818	18"	12
63824	24"	12
63830	30"	12
63836	36"	12

MOSS RUBBER FLOOR SQUEEGEE IN POLYPROPYLENE HOUSING

BOAT, SMOOTH SURFACES
Features: Polypropylene housing does not rust or corrode
Handle: Use with handle #36035
Material: Soft, pliable, non-marking Moss Rubber

Part #	Size	Pack Qty
63516	16"	10
63524	24"	10

NEOPRENE FLIP FLOP® SQUEEGEE IN ALUMINUM HOUSING

DOCK, GARAGE, SMOOTH/ROUGH SURFACES
Features: Special socket design allows for forward and backward strokes
Handle: 18" and 24" use 36055, 36075 or 36085
30" and 36" use 36075
Material: Non-marking Neoprene Rubber

Part #	Size	Pack Qty
63718	18"	12
63724	24"	12
63736	36"	12

NEOPRENE SPEED SQUEEGEE® IN STEEL HOUSING

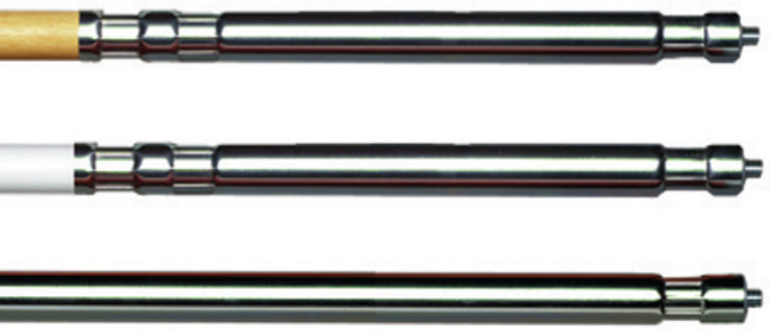

DOCK, GARAGE, SMOOTH/ROUGH SURFACES
Features: Heavy duty squeegee with excellent wearing qualities
Handle: Best with all steel handle #36075
Handle: 18" and 24" use 36055, 36075 or 36085
30" and 36" use 36075
Material: Non-marking Neoprene Rubber

Part #	Size	Pack Qty
63618	18"	12
63624	24"	12
63636	36"	12
63630	30"	12

TO ORDER OR FOR MORE INFORMATION PLEASE CALL: (323) 724-7777

Handles

SPEED SWEEP® HEAVY DUTY 3/8" STUD HANDLES

BOAT, GARAGE, SMOOTH SURFACES
Features: Extremely long lasting material for steel backed floor brushes, deck scrubs, and floor squeegees
